Licensing Policy

Rooms are available only to licensed Medical Practitioners and Therapists who wish to utilise medical consulting facilities in Lathom House Consulting Rooms, Burscough. Rooms vary in size and style and are priced accordingly, these can be block booked should you wish to utilise the same room each time you visit.

A wide range of established medical practitioners work with us, including: Physicians, Surgeons, General Practitioners, Psychiatrists, Psychologists, Allied Healthcare Professionals including Nurses & Physiotherapists and Osteopaths as well as Complementary Therapists.

Lathom House Consulting Rooms follow a stringent and robust admission and licencing process and is thorough and challenging of those it accepts as Licensees. We screen each applicant to ensure that they precisely meet accreditation criteria, are members of an accredited professional body, carry appropriate professional insurance and their practice fits with the ethos and vision of Lathom House. This is important in maintaining our reputation as a Centre of Excellence.

Although our facilities do not require independent CQC registration, clinics and individuals who work in the building, are expected to abide by the signed General Conditions which accompany their licence and maintain standards in keeping with CQC guidelines.

We accept accreditation and current registration with the following professional bodies:

- BACP • BABCP • British Association for Counselling • British Society of Clinical Hypnosis • Complementary Natural Healthcare Council • General Medical Council • Health Professionals Council • The Association of Traditional Chinese Medicine and Acupuncture UK • The British Acupuncture Council • The British Osteopathic Association • The British Psychology Society • The Complementary Medical Association • The General Chiropractic Council • The Nursing and Midwifery Council • UKCP
